

Dictionary of Zoo Biology and Animal Management (Paperback)

Filesize: 8.69 MB

Reviews

These sorts of ebook is the best publication accessible. It is amongst the most amazing ebook i actually have read. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Jace Gusikowski IV)

DICTIONARY OF ZOO BIOLOGY AND ANIMAL MANAGEMENT (PAPERBACK)

To get **Dictionary of Zoo Biology and Animal Management (Paperback)** eBook, you should refer to the hyperlink beneath and save the ebook or gain access to additional information which might be highly relevant to DICTIONARY OF ZOO BIOLOGY AND ANIMAL MANAGEMENT (PAPERBACK) ebook.

John Wiley & Sons Inc, United States, 2013. Paperback. Condition: New. 1. Auflage. Language: English. Brand new Book. This dictionary is intended as a guide to the terminology used in a wide range of animal-related programmes of study including agriculture, animal care, animal management, animal production, animal welfare, veterinary nursing, wildlife conservation and zoo biology. In total it contains over 5,300 entries. It contains a wide range of terms used in the fields of veterinary science, physiology and zoology, as students whose primary interests are animal welfare or zoo biology also need to have some understanding of disease, how animal bodies function and how animals are classified. It also contains some legal terms, and reference to some legal cases, to help students understand how the protection, use and conservation of animals is regulated by the law. Some people, famous animals, literature and films have influenced the way we think about, and behave towards, animals. For this reason, the book includes references to important books about animals, famous animals who have starred in films or been the subject of scientific studies, along with short biographies of famous scientists and others who have studied animals or established conservation or animal welfare organisations.
